**Microsoft**  
Technology Associate

**Register now,  
Promotion ends 30<sup>th</sup> Dec 2013**

**Microsoft Technology Associate (MTA)** is a recommended entry point into IT certification and job preparation. Pass just one exam and you'll earn a certification, taking your first step toward a career in technology. If you are just starting your IT career path or are looking to enhance your understanding of IT fundamentals, MTA will validate your core knowledge. MTA is an optional industry-recognized certification for those pursuing a career path in IT infrastructure, database design, or software development using Microsoft technologies.

**MTA IT Infrastructure track**—for those intending to build a career in desktop or server infrastructure or private cloud computing:

Title	Training	Exam
Windows Operating System Fundamentals	349	349
Windows Server Administration Fundamentals	365	365
Networking Fundamentals	366	366
Security Fundamentals	367	367

**Package Fee: GHc 300**

**Total Exams \$100 Any one exam required**

**Location:** Top Floor Suite 2, American House Building, East Legon, Accra - Ghana

**Address:** P.O. Box OS 2281 Osu-Accra
